Dear Ms. Collins:

Thank you for the follow-up call on December 18. The Mr. Knight had responded to the complaint through the reports analyst division on October 2 therefore the campaign did not forward me the request from your office since they knew we had responded.

This letter is to confirm with your office that we filed a Form 99 and Form 3 amendments on October 2. A copy of the Form 99 is attached. Mr. Knight and I have refined our internal systems to prevent errors like this in the future. All forms were amended as soon as we were aware of the inadvertent omissions.

Sincerely,

Kelly Lawler
Treasurer, Steve Knight for Congress

Recently it was brought to my attention some inadvertent problems with my March Form 3 Filing. I have expeditiously corrected the problem with an amendment to the March Quarterly report. I have an exemplary record with the FPPC and hope to continue with my FEC filings. Please don't hesitate to contact my Treasurer with any questions at 530-934-5823.

Additionally there was a question about disclaimer on my Radio Ads, all disclaimers have been reviewed and we are confident they are all in compliance.
